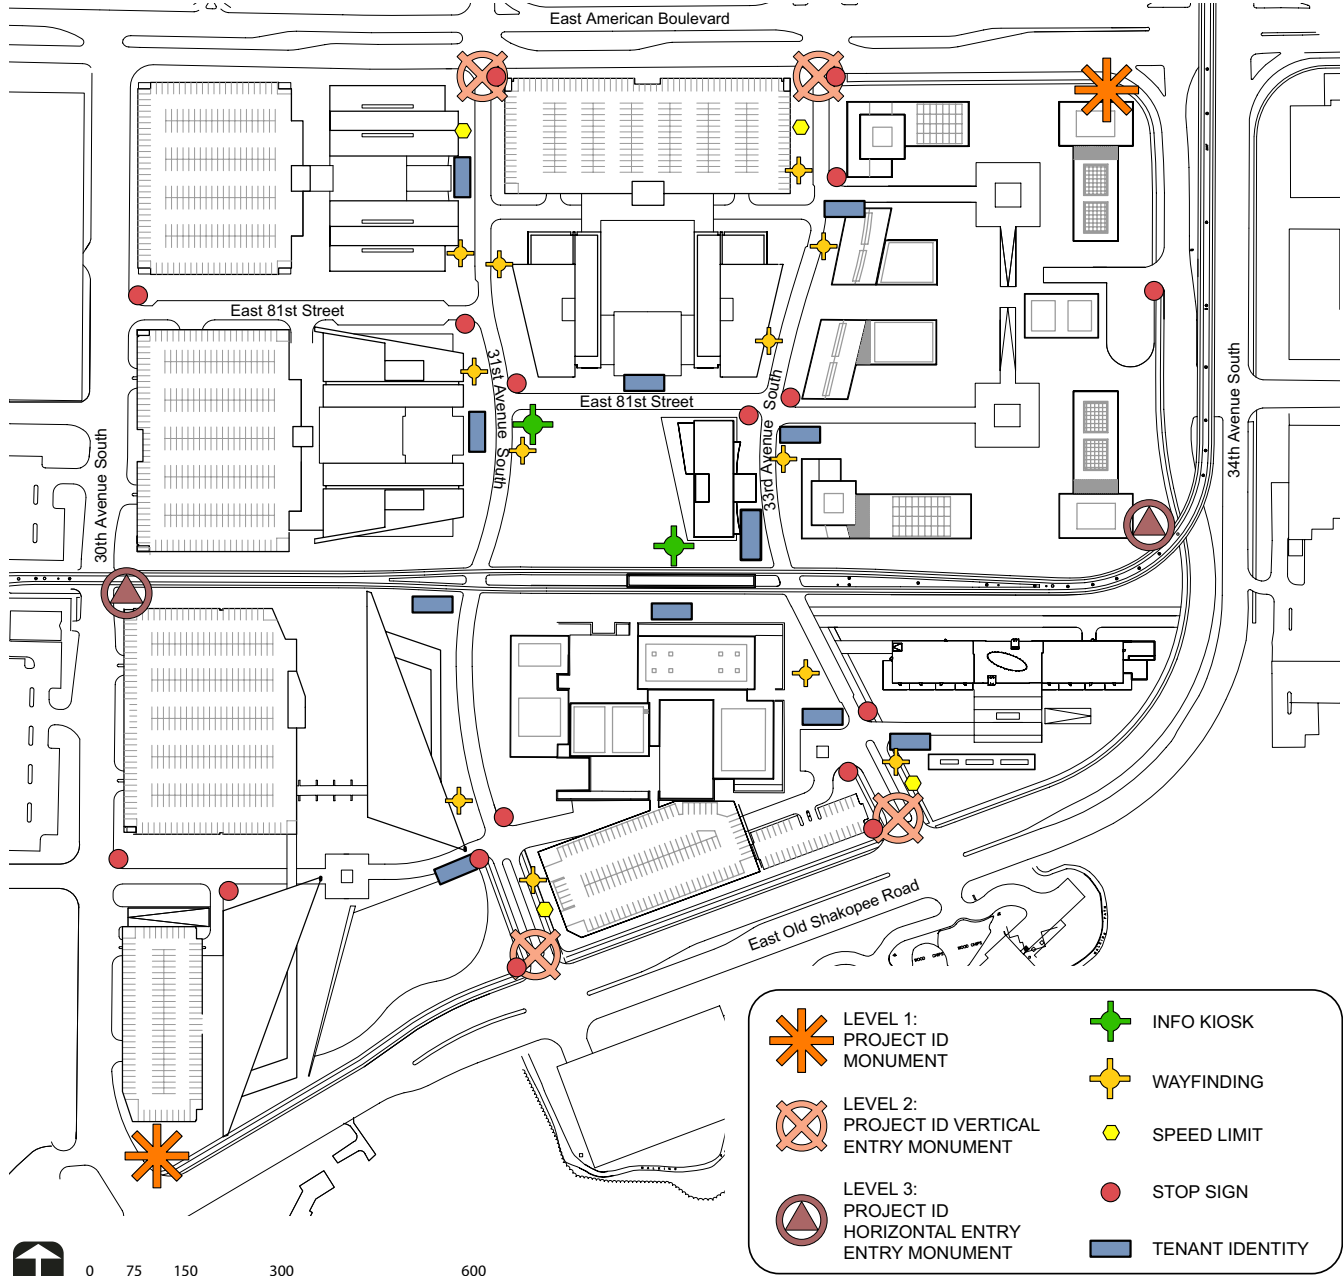

Figure 31: Signage Location Diagram

Temporary building announcement signs may be used to provide information on specific development proposals within Bloomington Central Station. One sign will be permitted within the site boundary on each roadway on which the site has frontage. Temporary building announcement signs shall be set

back a minimum of 15 feet from the roadway edge and at least ten feet from any curb line of any existing or proposed drive, roadway or parking area. Signs shall utilize the same color scheme and typefaces that are proposed for permanent signage. Temporary building announcement signs shall not exceed 12 feet in
