

13.0 LIST OF PREPARERS

NAME TITLE EDUCATION	EXPERIENCE	FINAL EIS RESPONSIBILITY
FEDERAL HIGHWAY ADMINISTRATION		
Cheryl Martin Environmental Engineer	14 Years Planning and Environmental Review of Highway Projects	Review of FEIS and Coordination of FEIS Input
Stan Graczyk, P.E. Project Coordinator B.S.C.E.	28 Years in Highway Design and Review Projects	Review of FEIS
MN DEPT OF TRANSPORTATION		
Chris Roy, P.E. Area Engineer, Project Manager B.S.C.E.	9 Years Applicable Highway Design Experience	Project Engineer for Preliminary Design, Review of FEIS
Wayne Norris Area Engineer B.A. B.S.C.E.	15 Years Transportation Experience	Review of Layouts, Review of FEIS
Dennis Larson Water Resources Engineer B.S.C.E. M.S.	25 Years Professional Experience	Review of Water Resources Analysis and Information
Billy Thomas Senior Engineer B.S.C.E.	35 Years Professional Experience	Project Engineer for Water Resources, Review of Water Resources Analysis and Information
James Hansen Engineering Specialist B.S.	25 Years Experience in Noise and Air Quality Studies and Mitigation	Review of Noise and Air Quality Analyses and Information
Pete Wasko Transportation Specialist Associate Degree, Architectural Design/Civil Engineering	1 Year Experience in Noise and Air Quality Analysis	Review of Noise and Air Quality Analyses and Information
Rick Dalton B.S.C.E.	15 Years Transportation Engineering	Review of EIS
Gerald Larson Chief, Environmental Development Unit B.A. M.A.	20 Years Transportation Sociology	Review of EIS

NAME TITLE EDUCATION	EXPERIENCE	FINAL EIS RESPONSIBILITY
MN DEPT OF TRANSPORTATION continued		
Greg Busaker Aquatic Biologist B.S. M.A. Ph.D.	18 Years Aquatic Biology	Review of EIS Water Resources Section
Melvin Roseen Senior Engineer B.S.C.E.	24 Years Environmental Engineering	Review of Technical Reports, Noise Monitoring
Nancy Radle Project Manager, Hydrogeologist B.S. B.S. M.S.	15 Years in Contaminated Sites Issues	Preparation of Potential Soil and Groundwater Contamination Sites Section
SRF CONSULTING GROUP, INC.		
Randy Geerdes, P.E. Senior Vice President B.S.C.E.	25 Years Design Management of Highway Projects	Principal in Charge
Don Demers, P.E. Senior Associate B.S.C.E.	12 Years Design and Plan Preparation for Transportation Projects	FEIS Preparation – Engineering Oversight and Coordination
Jennie Ross Principal B.S. M.S.	21 Years Environmental Documentation and Coordination of Environmental Studies	Project Manager, Direction of FEIS Preparation, Review of FEIS
Pete Langworthy Senior Environmental Planner B.A. M.S.	13 Years Assessing, Planning and Implementing Environmental Measures and Programs	Coordination of FEIS Preparation, Groundwater, Vegetation and Wildlife, Rare and Endangered Species, Wild and Scenic Rivers
Carole Peter Senior Environmental Scientist B.S.	12 Years Environmental Documentation, Biological and Ecological Assessments, and Wetland Delineation	Wetlands, Stream and Water Body Modifications
Nancy Frick Senior Environmental Planner B.A. M.C.R.P.	21 Years Community Planning	Social and Economic Impacts, Section 4(f)/6(f) Evaluation

NAME TITLE EDUCATION	EXPERIENCE	FINAL EIS RESPONSIBILITY
SRF CONSULTING GROUP, INC. continued		
Beth Bartz Senior Associate B.A. M.S.	13 Years in Planning and Historic Preservation	Section 106 Documentation, Cultural Resources, FEIS Review
Thomas Hillstrom Associate/Environmental Scientist B.S.	12 Years in Environmental Planning, Wetlands Analysis and Delineation and Related Natural Resource Investigations	Air Quality, Noise, Wetlands
Joyce Pickle Environmental Scientist B.A. M.S.	1 Year Environmental Planning for Transportation-related Projects	Air Quality, Noise, Wetlands
Jonathan Ehrlich, EIT Engineer B.S.	1 Year Travel Demand Forecasting and Transit Planning, Air Quality Analysis for Development and Transportation-related Projects	Air Quality
David Filipiak, P.E. Senior Associate B.S.C.E.	17 Years Engineering, Drainage, and Water Resources Planning and Hydrology/Hydraulics	Surface Water Drainage, Water Quality, Floodplains, Stream and Water Body Modifications
Walter Eshenaur, P.E. Senior Engineer B.S. M.S.	14 Years Water Resources	Surface Water Drainage, Water Quality, Floodplains, Stream and Water Body Modifications
Bob Leba Engineer B.S.C.E.	3 Years Drainage Design and Hydrologic/Hydraulic Modeling	Surface Water Drainage, Water Quality
Denny Eyler, P.E., P.T.O.E. Vice President B.S.C.E.	30 Years Traffic Engineering Projects	Transportation Operations Analysis, Preliminary Geometrics Assessment
Marie Cote, P.E. Senior Associate B.S.C.E.	12 Years Traffic Engineering Projects	Traffic Operations Analysis
Steve Wilson Senior Associate B.S. M.S.C.E.	18 Years Travel Forecasting, Transportation Planning, Transit Planning, Transportation Needs Analysis and Applications	Transportation Forecast Modeling

NAME TITLE EDUCATION	EXPERIENCE	FINAL EIS RESPONSIBILITY
SRF CONSULTING GROUP, INC. continued		
Csaba Kelen Engineer B.S.C.E. M.S.	3 Years Travel Demand Forecasting and Traffic Engineering Projects	Transportation Forecast Modeling
Donna Roscoe Senior Environmental Planner B.A.	5 Years Environmental Review Documentation	Unavoidable Adverse Impacts, FEIS Review
Courtney Bot Environmental Planner B.S. J.D.	1 Year Environmental Review Documentation	FEIS Review
