## Adaptive Recreation and Learning Exchange

Serving Bloomington, Eden Prairie, Edina & Richfield

---

### WELCOME!

We would like to extend the invitation for you to take part in the variety of programs offered through the Adaptive Recreation & Learning Exchange Partnership (AR&LE). The information provided here should give you a closer look and better understanding of how our program works and where to acquire additional information that you may need. For over 25 years, the Adaptive Recreation and Learning Exchange (AR&LE) has been a leader in providing options for people with disabilities to participate in programs and activities that are specifically designed to meet their diverse needs.

### WHAT IS AR&LE?

AR&LE is made up of two parts - Adaptive Recreation “AR” and the Learning Exchange “LE”.

- ◆ *Adaptive Recreation:* The cities of Bloomington, Eden Prairie, Edina and Richfield each have programs that are specifically designed for people of all ages with disabilities including; softball, bowling, swimming lessons, fitness programs, skiing/snowboarding, basketball, as well as a number of social programs for both youth and adults.
- ◆ *The Learning Exchange:* The school districts of Bloomington, Edina, Eden Prairie and Richfield Community Education Adults with Disabilities programs are working together to offer customized classes for adults with developmental and/or physical disabilities. Classes include cooking, independent living skills, health and fitness, and other leisure learning activities.

### PROGRAM CATALOG

AR&LE publishes a quarterly program catalog with descriptions of all programs to be offered for the upcoming season. This is sent out quarterly to all the participants and professionals who are on our mailing list.

**Electronic copies of the current AR&LE program catalog are available via the Internet at: [www.ci.bloomington.mn.us](http://www.ci.bloomington.mn.us) and enter keywords “Adaptive Recreation” in the search engine.**

### PROFILES

In order to be on our mailing list, each person must complete a profile. Individuals with disabilities who participate in AR&LE programs should fill out a Participant profile. With the completed profile, the information is then available to the program staff so that they can be aware of any health, medical and special needs issues that pertain to the participant. Those individuals who provide support to, or work with the participant, should complete a Professional profile. After requesting a profile from any of the AR&LE staff or filling out and printing an online copy from [www.ci.bloomington.mn.us](http://www.ci.bloomington.mn.us), return the completed profile to the following address:

Bloomington Parks & Recreation  
Attn: Mara  
1800 West Old Shakopee Road  
Bloomington, MN 55431

### PROGRAM FEES AND REGISTRATION

The fees to register for AR&LE programs vary. Some are broken into Resident and Non-resident amounts. A Resident is anyone living in the four cities of Bloomington, Eden Prairie, Edina, or Richfield. Non-residents are considered to be those living outside of these cities. If a non-resident fee is charged, the difference is very minimal.

### REFUND POLICY

Each city reserves the right to implement their own refund policy.

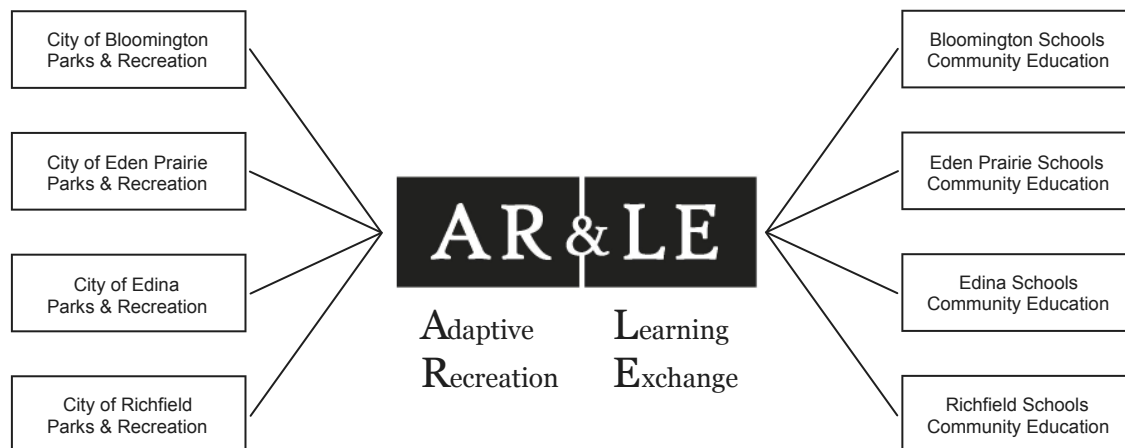

---

The Cities of Bloomington, Eden Prairie, Edina and Richfield do not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its services, programs, or activities. Upon request, accommodation will be provided to allow individuals with disabilities to participate in all services, programs, and activities. Upon request, this information can be available in Braille, large print, audiotape and/or computer disk.

## THE STAFF

The supervisory staff that are responsible for the planning and implementation of all the adaptive recreation programs have many years of experience in the Adaptive Recreation field. Their program staff are also highly skilled and dedicated individuals with professional and educational backgrounds in human services fields.

Working together, the Community Education directors from the school districts of Bloomington, Eden Prairie, Edina and Richfield employ a Coordinator for the Learning Exchange. Under the direction of the Learning Exchange Coordinator, professional instructors teach the Learning Exchange classes with the assistance of talented and trained volunteers.
