PRIORITY CLASSIFICATION

Due to the large number of organizations that request usage of City facilities, it is necessary to define and classify users by type of activities and establish a reservation priority to ensure that City facilities are made available to best meet community needs. As a result, the facilities will be scheduled in accordance with a scheduling priority policy as established herein. Rental fees are established in accordance with the following priority classification policy.

Priority #1 – All City sponsored activities, programs and meetings. Any activity related to the operations of the City of Bloomington’s government including, but not limited to, City Council, official commissions, advisory boards, task force, and study committees, City departments and divisions, City programs and events. Reservations for City functions may be taken at any time for any date. City functions may pre-empt lower priority reservations at the discretion of the City Council (e.g. a special City Council meeting may bump a rehearsal in the theater). There will be no rental fees charged for City reservations in City facilities.

Priority #2 – All City co-sponsored activities, programs and meetings. Any co-sponsored City activity. A definition of co-sponsorship is when a Division Manager or staff is committed to two or more of the following management functions for the event:

- Planning and budgeting for the event.
- Coordinating and organizing event in terms of whom will be responsible for each task.
- Providing leadership staff for such event.
- Evaluating and measuring its impact on individuals whom participated.

Reservations for City co-sponsored functions may be taken at any time for any date. There will be no rental fees charged for City reservations.

Priority #3 – All other facility user groups who have been recognized by the City of Bloomington for providing necessary services to the residents and have entered into a long-term cooperative agreement of twelve months or more for using space in any facility on a regular basis. This includes, but is not limited to, the following organizations: Bloomington Fine Arts Council and its member organizations, Bloomington Athletic Association, Bloomington Amateur Hockey Association, Bloomington Figure Skating Club, Dwan Men’s Club, Dwan Women’s Club, Bloomington Youth Soccer Club, Bloomington Traveling Baseball and Bloomington American Legion Baseball.

Priority #4 – Other tax-supported government agency sponsored activities, programs and meetings. This includes federal, state, county and school district activities.

Priority #5 – Non-profit civic and religious organizations primarily serving Bloomington. An organization that has a majority of their members living or working in Bloomington and/or a guaranteed percentage of the population they serve is from Bloomington. Proof of registered members and mailing addresses may be requested during reservation process. Included in this classification are Bloomington-based groups and

organizations that contribute to the well being and betterment of the community such as support groups, scout troops, youth athletics, community-service organizations and resident groups holding neighborhood meetings.

Priority #6 – Bloomington residents. Use of the facilities for personal use such as wedding receptions, family reunions, anniversaries, banquets, parties, etc.

Priority #7 – Bloomington-based businesses and commercial organizations. Businesses and commercial organizations that have a Bloomington headquarters as evidenced by mailing address. Use of the facilities for business meetings, receptions, conferences, banquets, parties, etc.

Priority #8 – All non-Bloomington organizations, groups, businesses and individuals. Use of the facilities for meetings, receptions, conferences, banquets, parties, etc.
